

BIGGER COMMISSIONS BIGGER BENEFITS

Are you looking for a company that's big enough to get the job done, but small enough to care? Then you have found the right home to take your mortgage career to the next level.

At Premier Mortgage Resources we have a family atmosphere and our team works together toward one common goal - fast, accurate, and efficient Underwriting, Funding and Closing.

BIGGER COMMISSIONS

You work to make money and we understand your time is valuable. That's why we pay our loan officers some of the highest commissions in the mortgage industry. Our streamlined processes cut operating costs and put more money directly in your pocket.

ACCESSIBILITY

At Premier Mortgage Resources, we have an open-door policy between managers and team members. We offer transparency from top level management, all the way to the owners of the company. You can pick up the phone and talk to your underwriter, or even the managing partners.

OPERATIONAL EXCELLENCE

Our philosophy is centered on operational excellence. To ensure we can meet the demands of our loan officers we serve and provide quick turn times by intentionally over staff/hire in our Underwriting, Processing and Closing departments. We operate in a transparent system with Underwriters who make themselves available to help loan officers work through difficult transactions.

FAMILY ATMOSPHERE

Since we have a family atmosphere at PMR, we're able to build lasting relationships with our team members, creating not only a pleasant work environment, but also a trusting team environment.

VERONICA TAMAYO | LOAN OFFICER | NMLS 613585

I love that PMR is not just a great place to work but it's a big happy family! I enjoy coming to work everyday because of the people that surround me is a big team focused on getting the job done!

FUNCTIONALITY IN OPERATIONS

Our secret to high producing originators is an amazing backroom with a high understanding of the guidelines. Sound operations equates to increased productions.

We strive for operational excellence at Premier Mortgage Resources.

QUICK TURN TIMES

At Premier Mortgage Resources, we intentionally over-staff in Underwriting, Processing and Closing so we have fast turn times. Operation departments make themselves available to help loan officers. Our Operations teams work diligently everyday to ensure quick turn times, like our same day CD's.

EDUCATED STAFF

The average tenure is over 25 years in our operations team, meaning you're getting experienced team members to help you, even with difficult transactions.

VARIETY OF PRODUCTS

We offer a full menu of mortgage products and are delegated to underwrite conventional, FHA, VA, USDA, and several state bond programs. In addition, we have a full Reverse Mortgage Banking division as well as many Jumbo outlets.

SHAWN PARKER | BRANCH MANAGER | NMLS 327268

I love the people at Premier Mortgage Resources, they are very helpful and focused on closing loans. Easy access to management and underwriting makes my job easier!

CUTTING EDGE TECHNOLOGY

SUPERIOR TECHNOLOGY STACK

Premier Mortgage Resources is serious about technology and employs a dedicated IT department. We provide computers loaded with cutting edge software and provide you all the training needed to help you get your first loan closed in no time.

Cloud-based Loan Origination Tools
And More!

CRYSTAL GILBERT | LOAN OFFICER | NMLS 1416327

Premier Mortgage Resources offers amazing support to our loan officers. I feel I have the tools to be successful in this industry, thanks to the resources that are offered.

REAL APPROVALS FAST!

Your clients can get Underwriting Approval within 48 hours after the initial application!

With just income, assets and credit info, our FastTrac Underwriting team will work to get your client's Underwriting Approval Letter, where they'll know their EXACT buying power & monthly payments!

BRITTNEY ESSINK | LOAN OFFICER | NMLS 1532651

Through the FastTrac system, my clients can get through underwriting quickly at a TBD status, rather than waiting. It really smooths out the whole loan system.
